WOWinfotech

ABOUT US

WOWinfotech is India's leading Software Solution provider company. The vision of directors Mr. Krishna Handge and Mrs. Kanchan Handge is to make India a developing nation into a developed nation with digital support. and to provide prosperity to people by providing quality service to customers. WOWinfotech is to focus on Innovation, Inventions and scaling the company by connecting corporate customers and connecting experience and quality people to the company to achieve the organizational goals.

Vision

To make India from a developing nation to a developed nation with digital support. And to provide prosperity to our people by providing quality service to customers.

Mission

Helping to scale and automate the business of 10 Thousand people by the end of the Year 2030.

COMPANY OVERVIEW

WOWinfotech started as just a dream soon turned into a vision in the mind of the young entrepreneur Krishna. Partnering with co-founder Kanchan, initially, both worked on Innovative concepts and made Apps, Websites and Software for small and medium scale startups.

We expanded the departments after a year and set up with qualified experience people and increased multiple sectors like App development, Web development, Digital marketing and SEO, IoT, AI and Machine Learning and Brand Design.

We have a team of 40+ skilled software developers, designers, and project managers who work together to provide end-to-end software development services. We use the latest technologies and tools to ensure that our clients get the best possible solutions that meet their unique requirements.

We have served clients across various industries, including Agriculture, Healthcare, Education, Finance, E-commerce, and more. Our clients range from startups to Fortune 500 companies, and we have earned a reputation for delivering innovative solutions that have helped them achieve their business goals.

Why founders Mr. Krishna Handge and Mrs. Kanchan Handge selected company name as WOWinfotech?

- **WOW:** To provide quality and best products.
- **Way Of Worship:** 1st company of WOW group, So it is devoted to Worship.
- **Way Of Work:** Working culture is different and enthusiastic.
- **World Wide Web:** Provide service to every country of the World.
